EDUCATION

B Tech in Computer Engineering

Ganpat University

01/2024 - Present

Diploma In Computer Engineering

Ganpat University

01/2021 - 01/2024

KEY ACHIEVEMENTS

AI-Assisted Development Efficiency

Leveraged AI tools for code optimization, debugging, and UI refinement, reducing development time by 30% across multiple projects.

Responsive Website Development

Developed 6+ responsive websites, met all client specifications.

Mobile Compatibility Improvement

Increased mobile compatibility by 25% across multiple projects.

User Engagement Boost

Improved user engagement by 40% through innovative design solutions.

STRENGTHS

Problem Solving

Strong problem-solving abilities and attention to detail.

Design and Technology Integration

Ability to blend design and technology.
